Taking Stock In Your Life & Finances

6wks

The intention of this course, is to introduce new-found confidence and understanding of the markets and how they may affect individuals in their financial growth and retirement. The course will teach students how to remove the media noise and biased opinions from the news heard and seen daily. Students will learn to make financial decisions with clearer minds, based on probabilities of success and reduced risk. Students will learn to trade the stock market from very basic concepts to more advanced trading strategies. Student will also learn how to build strong lists of stock and mutual funds. Prerequisites: Computer available for viewing classes, in the comfort of the student home, if desired. Each student once registered for class by Joblink, shall submit their emails to tomcook1124@gmail.com, in order to be admitted into each live class session.

Tuesdays-August 17 to September 21

10am-12pm or 4pm-6pm

Location: Joblink & Live-streamed

Instructor: William Thomas Cook II

What I liked best about the class was the ability to telecast (watch the class online) when I was unable to attend classes due to my work shift.

Live and Online classes are offered at Leon Lynch Learning Center and at JobLink. Visit our website for more information: careerdevelopmentchannel.org
